Celebrating 14th Anniversary

Corporate Branding & Promotional Opportunity

Sponsor a SIP Event & Become an Accredited Corporate Member of SIP

If you are looking to promote your services to our members and establishing credibility of affiliating with a professional body or branding your organization then consider becoming a corporate sponsor of the Society of Internet Professionals (SIP). Corporate sponsorship provides you with an opportunity to sponsor one of the events celebrating our 14th Anniversary this year or create an Affinity Program (Review Affinity Program Proposal) for SIP members.

Benefits of Corporate Sponsorship

At this event show case your business and promote you as below:

1. Provide you with a facility to display your banner, products and promotional material.
2. Offer the opportunity for you to say few words about your company.
3. Offer Complimentary tickets to the event for your customers and staff.
4. We will award you with a wall plaque and an official SIP membership pin at the event.

Additionally, it will also provide you with:

5. Branding:

We will also profile you in our Online Directory. Your Company 's description will be listed in the corporate sponsor section of SIP web site and a link to your web site will also be provided.

To preview the profile of our noteworthy corporate members in this directory, please go to <http://sipgroup.org/membership/corpmem-list.html>

6. Accreditation:

Finally, yet Importantly all corporate members abide by SIP's Code of Ethics, which boost confidence and comfort levels for your clients and prospects. A digital seal will be provided which you can proudly display on your website proclaiming that you are an Accredited Corporate Member of SIP.

Corporate membership is fees are: Bronze \$1,000, Silver \$3,000 and Gold \$5,000. The level of sponsorship depends on the plan of actions and creation of Affinity Program for SIP Members.

By becoming a corporate member you are supporting an Internet Industry association whose mission is to uphold professional standards of internet professionals.
