➔ Professional Code of Ethics

Professional Membership in SIP is recognition of a members' commitment to honour & respect their clients and peers, take responsibility of their work and commit to continue upgrading their skills and knowledge. This recognition helps members to build trust in their dealings with the Industry and the public.

➔ Professional Competencies

As a professional association we have developed Competencies for various tasks and jobs as related to the Internet professionals.

SIP has worked closely with many associations and educational institutions in the past to encourage better professional standards for Internet practitioners, including those in e-Business, Web Site Design and Development, Security, Privacy, e-Marketing, etc

➔ Corporate Sponsors

Excellent promotional opportunities are provided to our sponsors; they are profiled in SIPpost and listed under Sponsors Directory on our website

➔ Partnerships

We have established high-profile partnerships and affiliations with many professional Associations, Conferences and Educational Institutions in the Internet Industry.

➔ SIPpost

Our newsletter is distributed to over 10,000 Associate Members.

➔ Join SIP and post your profile on various social media websites
